Chief Executive Officers
Chief Medical Officers
Chief Nursing Officers
Chief Operating Officers
Chief Quality Officers
Patient Safety Officers
Directors of Pharmacy

From: Kate Flynn, FACHE, *President*

Subject: **Call for Entries: 2016 Delaware Valley Patient Safety and Quality Award**

The Health Care Improvement Foundation (HCIF) has hosted the Delaware Valley Patient Safety and Quality Award for over a decade. This program is one of many ways in which HCIF promotes best practices in health care patient safety and quality throughout the region. The award recognizes hospitals and other providers for their innovative contributions in advancing patient care. At this time, we are inviting organizations to submit up to four entries for this year's award.

All entries this year will continue to be submitted via a web-based platform, which will automate and streamline both the application and judging processes. We are continuing to encourage entries that demonstrate collaboration among hospitals and other providers within the continuum of care. Finally, in an effort to broaden the pool of reviewers and involve more industry leaders in the process, we are again inviting clinical and administrative leaders to participate in the initial review of award entries. The final stage of judging will be completed a panel of quality and patient safety experts, who will select the 1st, 2nd and 3rd place winners.

Winning entries will be recognized at the Delaware Valley Healthcare Council's Annual Meeting on Friday, November 4th; featured in an HCIF press release; possibly asked to present their initiative at an HCIF event; and awarded the following grants to support patient safety initiatives:

- First Place: \$3,000
- Second Place: \$2,000
- Third Place: \$1,000

The top ten entries will be posted on HCIF's website and highlighted as some of the region's best practices.

Please see the attached entry criteria for instructions. They can also be accessed at www.hcifonline.org. **Entries must be submitted online by Monday, July 11, 2016.**

If you have any questions about this year's award process, please feel contact Bradley Moore, Project Manager, at bmoore@hcifonline.org or 215.575.3754.

2016 Delaware Valley Patient Safety and Quality Award Entry Criteria

Award Description

The Health Care Improvement Foundation (HCIF) has hosted the Delaware Valley Patient Safety and Quality Award since 2002. This program in one of many ways in which HCIF promotes best practices in health care patient safety and quality throughout the region. The award recognizes hospitals and other providers for their innovative contributions in advancing patient care. At this time, we are inviting organizations to submit **up to four** entries for this year's award.

Eligibility: Entries from healthcare organizations in Southeastern PA from across the continuum will be accepted, and may include hospitals, long-term care, LTACs, hospice, home health agencies, rehabilitation facilities, and sub-acute care.

Entries will be accepted only from HCIF-contributing organizations. Check http://www.hcifonline.org/section/aboutus/hcif_contributors for the list of contributors **prior to submitting an entry**. If your organization is not listed but you are interested in contributing, please contact Kate Flynn at kflynn@hcifonline.org.

Only recent initiatives that demonstrate sustainable results (January 2015-current) are eligible for consideration.

Submission Requirements: Entries **must be blinded**. Do not include the organization name or any identifying information in the submission or appendices. Organization's names should be blocked or substituted with "the organization".

- Entries will consist of the following:
 - Title
 - Abstract (limited to 250 words)
 - Goals
 - Baseline data and results with statistical significance
 - Interventions
 - Description of following (limited to 100 words each):
 - how the initiative can be replicated through the region
 - how the initiative demonstrates innovation
 - how the initiative demonstrates collaboration with other providers within the continuum of care
 - how senior leadership demonstrates commitment to the initiative

Please limit your appendices (i.e. data tables and graphs).

Judging: Entries will be reviewed in two stages. The initial review will be completed by clinical and administrative leaders from area hospitals. The final stage of judging will be completed by a panel of judges comprised of quality and patient safety experts. Entries will be assigned scores, with the highest scores given for innovative initiatives that demonstrate novel approaches.

Instructions and Deadline: Entries will only be accepted through online submission at <http://app.wizehive.com/apps/hcif2016>

Deadline for online submission is **Monday, July 11th, 2016, 11:59 PM**.

Recognition: The top ten entries will be posted on HCIF's website and highlighted as some of the region's best practices. All entries become the property of the Health Care Improvement Foundation and may be freely disseminated in HCIF publications and web resources.

Award winners will be recognized at the Delaware Valley Healthcare Council Annual Meeting on Friday, November 4th; featured in an HCIF press release; and may be asked to present their initiative at an HCIF event. The following grants will be awarded to promote patient safety initiatives:

First Place	\$3000.00
Second Place	\$2000.00
Third Place	\$1000.00
